

December 2008

Greetings from Idaho!! It is hard to believe we are finally here!

We can not tell you how much of a blessing and privilege it is to get to serve Christ through the Learning Technologies team of Mission Aviation Fellowship. It has been a little over two years since God began leading us to join MAF. During those two years God has taught us much about relying on Him and about humility.

As we celebrate that gift this Christmas, our family is celebrating the goodness of God. What a gift we have been given to get to serve Him through this incredible ministry!

When we arrived in Idaho, our coworkers at MAF surrounded us with love and offered much help getting settled in. We were planning to rent a house, but the drop in the housing market opened a great opportunity for us. In our last letter, we asked you to pray about our housing and about finding a new church home.

It has been amazing to see how God has answered those prayers. We are planning to close on the purchase of a house on December 19th and that house is very close to the building site of our new church home.

Thank you for your continued support of our work with the ministry of Mission Aviation Fellowship. Your partnership with us in this ministry is one of the many blessings God has granted us in this last year. Please pray for our continued adjustment as we settle in to our new home as well as the impact of the Learning Technologies team as they strive to equip Christian leaders in the developing world.

Merry Christmas,

Brad, Susan, David and Sarah Rhoads
